Internet Safety

Do you recognise any of these apps from your child's phone or tablet? Do you know how to make them safe for your child to use? Are they receiving messages from strangers? Can anyone see their location, or has that been disabled? Are they on 'ghost' mode in Snapchat? Have they ever seen anything that upset or worried them in Roblox? Have they felt pressured when playing Fortnite?

After our internet safety talks this week, why don't you sit with your child and talk with them about what they use, what they experience, and discuss ways you can help them make the experience safer.

Head Teacher Awards

Tilly and Albie in Foundation Stage, Casey and Layla in Year 3, Cecily, Rian, Miley, Rafe and Cameron, Poppy, Paige and Jasmin in Year 4

Congratulations!!

The BIGGEST congratulations to Miss Arnett and Mr Clewley who had their baby boy over the half term break. We are beyond excited to meet Harry Dennis Clewley, and are so pleased for Charlie and Keegan who we know will be the most fantastic big brothers.

Book Fair

We will have a book fair in school during the week commencing 19th November. If your child would like to be in with a chance of winning a £5 voucher to spend on books, all they need to do is design a cover for their favourite book! If you'd like another blank sheet to design on, let Nelly in the office know!

Remembrance Sunday

Please send your child into school next week with a clear plastic bottle. We will all be making Poppies for remembrance Sunday.
Thank you

Foundation Stage have been learning all about dinosaurs this week, whilst reading their class book Harry and the Bucket Full of Dinosaurs.

Orange Class have been very busy this week learning about arctic animals; whilst also learning all about full stops, question marks, and explanation marks.

Year 2 spent a lot of time this week talking about how to stay safe during fireworks night. They wrote instructions to help others stay safe, and designed safety posters.

Green Class were introduced to the book Operation Gadget Man this week by their class author. They worked on character descriptions, and asked questions about the story.

In Year 4 this week, the children have started working on their topic of life in the Antarctic. They have also had fun talking about the food chain. Ask them all about it!

Year 5 spent time using the short method for multiplication this week. They also worked on their class book Skellig, and wrote about the characters.

Year 6 worked on persuasive writing this week, discussing putting dogs in charge of the world! They also learnt the French words for various family members.

Fireworks

Make sure you come along to the Fireworks Evening this Sunday! It's set to be **BIGGER AND BETTER** than last year.

MORE food.

MORE fireworks.

MORE fire dancers.

And **RIDES**.

All funds raised go towards the school, so bring your tickets and some extra money for foods, rides, and flashing toys, and HAVE FUN!

Early bird tickets can be bought on the playground after school today and Friday. Beat the queues and save money by buying your tickets in advance!

Year 2 Safety Ideas

Year 2 have been discussing how to stay safe during fireworks this weekend. Here are some of their thoughtful ideas:

*Are you going to the fireworks?
Follow these simple instructions to stay safe.* **Amber**

Stay with your parents. **Hayden**

There are barriers so you don't get too close and hurt yourself. **Alba**

Make sure you don't climb over the barrier. **Joe**

If you are scared of fireworks go at the back. **Jack**

Keep your dogs inside so they don't get scared. **Lorelei**

Always wear gloves when holding a sparkler. **Maja**

After your sparkler goes out put it in a bucket of sand so it burns out. **Preston**

Well Done Ava!

Congratulations Ava Year 1, who raised a massive £270 for Congenital Muscular Dystrophy running the 5km at EuroDisney. What an amazing achievement!
