A lovely thing to witness

Off the back of our remembrance service last Friday, Mrs Lawrence stumbled upon some of the children in Red Class making their own poppy memorial to remember those who had died in WW1

Excel

So far this week Foundation Stage have been using their new phonics knowledge to help with their reading and writing.

Orange Class have enjoyed sharing stories written by Nick Inkpen. They discussed and sequenced the events within the stories. Why don't you ask them about it?

Year 2 are looking forward to a visit from Essex Fire Services this week, and so have been spending time thinking about and writing questions to ask the visiting fire officers.

Green Class have been using their multiplication skills this week. They used lots of known facts to help them work out some complex calculations.

Year 4 have been writing diary entries this week. They learnt how to use a wide range of time connectives to make their writing more interesting and concise.

Year 5 have been learning about persuasive writing. They talked this week about the use of rhetorical questions and modal verbs, and will be using these in their own work.

Year 6 have enjoyed their gymnastics lessons this week with Annabelle. They have been exploring different ways to travel incorporating balances in their sequences.

Parking

Concerned parents have advised us that the blue badge parking bays in the village hall car park are being used illegally. Please note that these get reported to the borough and parish council, and for your own protection and the safety of blue badge holders, we ask that these spaces be respected and left clear. Thank you.

Children in Need

This Friday 16th November we would like to invite all children to come to school wearing their home clothes in aid of Children in Need. Please bring them in with a donation that you can afford, that can be given straight to their class teacher. They are welcome to wear spotty clothes or simply their chosen outfit on the day!

Key Stage 2 Consortium Music Workshop

Years 3 and 4 have spent the last few weeks practicing really hard for a Key Stage 2 Music Workshop we hosted this week. They sang wonderfully and showed all the schools who visited on the day how hard working and enthusiastic we are. Thank you to the Consortium for once again organising a fantastic event.

Remembrance

The whole school attended a Remembrance service on the recreation ground on Friday, with Year 6 reading poetry and leading us in prayer, Year 4 tying ribbons and attaching poppies to the trees that were planted in remembrance. It was a lovely and humbling event evoking lots of thought and interesting discussions.
