Maps and Climate in Year 2

Year 2 worked really hard today looking at maps and talking all about the different climates in various countries around the world. They drew suitcase items that they would like to take to specific countries, and what the weather would be like there. Why not take a look at an atlas with your child over the weekend and talk about it?

Foundation Stage have been working on 1 more than or 1 less than a given number in Maths. They have also enjoyed writing shopping lists.

Orange Class would love to meet Father Christmas. If they ever do they have written lots of questions to ask him. They had some very interesting and curious ones.

Year 2 have been thinking about the climates of various different countries around the world this week. They even decided where they would most like to travel to.

Green Class have finished their topic about light by drawing observational pictures of candles and writing their own prayers. They also made and decorated Diva lamps.

In Year 4 the class applied their knowledge of shape to make symmetrical stars. They also used a variety of nets to make different 3D boxes and compared each one.

Year 5 made circuits using different materials to make a light work in science this week. They have also worked on recounts in English on their stone age day.

Louis, Milo and James set everyone a mathematical murder mystery challenge. They applied lots of their new skills and knowledge to set really tricky clues.

What is your favourite book and why?

**Winning Answer from
Destiny in Year 6**

My favourite book is Hetty Feather because when you read it, it takes you into a different world, where you can imagine what it would be like to be different.

**Please remember
to return all lunch
menus by
tomorrow. If we
don't have it in we
can't order the
correct amount of
food, and your
child may need to
have packed
lunches.**

Headteacher Awards

Megan in Year 1,
Archie, Jack, Maja,
Pheobe and Freya
in Year 2, Holly and
Leonard in Year 4

PTA AGM

Just a reminder that the PTA AGM is tonight in the community room at 7:30pm. All are welcome, and we'd love to hear any thoughts on the events last year, ideas for this year, and volunteers to help!

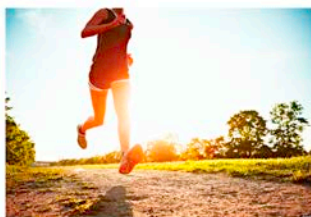

Lateness and Front Entrance

It is really important that unless you are late or have a prior agreement to use the front entrance, that all children enter the school via the back gate. If you are running late and therefore need to use the front entrance, you **MUST** come in with your child – as they will need to be signed in. If a child comes in alone we will need to call a parent or carer to come and sign them in. Thank you!

11+ for 2020 Entry

For parents of children in Year 5 who would like to enter them into the 11+ exam for secondary school entry in 2020, registration opens on 14th May 2019 and closes on 1st July 2019. The exam itself will be on Saturday 21st September. The test paper will involve one English and one Mathematics paper. Parents are encouraged to register as early as possible, as in the event of the main test day reaching maximum capacity, children will be allocated an alternative test day. A parent guide for 11+ preparation and one set of free CSSE familiarisation papers are available at www.csse.org.uk, where you can also register.

NEED TO BE
FIT?
