Year 5 Bikeability

Excite

Year 4 Born to Move

Excel

Red Class have been talking about winter this week, ahead of a walk tomorrow. They have written lovely sentences about animals who live in the cold.

Orange Class enjoyed a Space Party this week, in conjunction with their class book Q Pootle. They made their own space helmets and have designed and drawn aliens.

Yellow Class finished their PowerPoint presentations about weather week. They looked at different extremes of weather, & how weather behaves in different countries.

Year 3 were Robots this week in PE. They worked really hard together to think about how robots might move and why, and put their movements to music for a Robot Dance.

Year 4 have continued their work on illuminated letters this week, designing and painting their own letters in art. They have also been talking about time in Maths.

This week Year 5 have been learning notes C, B and A on the flute with Miss Maxwell. Many children also attended Bikeability proficiency training for their levels 1 and 2.

Year 6 enjoyed mindfulness and Yoga this week. They have also been looking at time tables in maths, and making travel plans and costing them in a practical way.

If you could ask someone in history a question what would you ask them?

KS1 Winning Answer By Kaiden in Year 1

I would ask the soldiers in World War 2 what it was like

KS2 Winning Answer By Milly in Year 4

I would ask Shakespeare how he made up his fantastic new words

Mersea Camp

A reminder that Mersea Camp instalments start up again this month, so if your child is in Year 5, please ensure you keep up to date with payments. If you are finding it difficult on a given month please call the office to chat it through.

Head Teacher Awards

Jasmine and Stanley in Foundation Stage,
Bobby in Year 4,
Louie in Year 6

Whole school attendance this week: 94.67%

	Foundation Stage	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Percentage	94.47%	96.94%	86.19%	96%	96.55%	93.33%	100%
Absences	12	6	29	7	7	14	0
Lateness	2	3	2	2	0	0	2

Payments

A huge amount of office time is spent every day on chasing overdue payments for lunch money, school trips, and clubs etc. We're really aware of the challenges that can be faced with payments; from not having internet access or being locked out of the payment website, to needing an extension on a deadline. Please just pop and see us or give us a call if this is the case as we will always do what we can to help. We would rather avoid chasing families for money when it can be avoided.

Nits

The dreaded nits are back! I've had reports from several parents who have had to treat their child. Please thoroughly check your child's hair when you get home and treat as necessary. Routine checks are also a great way of preventing a spread. The advice from the School Nurse team is that if we see nits on a child, we call parents to collect their child to treat them and bring them back. If you have any questions or would like a comb, pop into the office. Thank you so much.

Dogs

Please do not leave your dog unattended before or after school by leaving them tied to the school fence. As children walk past the fence every morning and afternoon, any dog brought to school needs to have someone stay with them during pickup or drop-off. Sorry for any inconvenience this may cause, and we're really grateful for your co-operation.

Easter Church Dates

Please note St Lawrence Church will be holding the following services over Easter:

Wednesday 6th March at 10am: Ash Wednesday.
Parents and Carers are most welcome to attend

Sunday 31st March at 10am: Mothering Sunday.
Flowers will be given to children to give their mothers and caregivers

Space Party in Year 1

Robot Movements in Year 3

Yoga in Year 6

Shapes on Geoboards in Year 2
