## Dot Productions Performance

WELL DONE to all the children who attend Drama Club for their fantastic performance of Little Red Riding Hood this week. There were lots of laughs from the audience, who were super impressed and very proud of all the hard work that had been put into it over this term.

In Red Class the children have been talking about 3D shapes. They have also looked carefully at spring flowers and made observational drawings.

Year One have been researching about worms. They wrote their own fact files and then imagined they were a worm and wrote very creative diary entries.

Children in Year 2 have been learning about the properties of 3D shapes. They used their knowledge to describe shapes for their friends to guess. It was quite tricky.

In Year 3 the class have been reading George's Marvellous Medicine. They wrote newspaper articles about the characters and their actions in the style of Roald Dahl.

Year 4 are working really hard at mastering their times tables skills. They are becoming really quick at recalling their multiplication facts and using them in different contexts.

Children in Indigo are really enjoying their PE lessons. This week they looked exhausted after one particularly active lesson. They are really working collaboratively.

## Year 1

Next Tuesday Year 1 pupils are invited to bring in up to three special items to talk about in class (in a clearly labelled bag). Please do not send them in with any electrical items or anything valuable. Thanks so much.

## Book Club Trip

We were really lucky to be invited to take children to the Mercury Theatre this week to see Author and Presenter Dermot O'Leary. The children who have read his books in our after school Book Club enjoyed stories by Dermot about his inspiration for the books, a session via video linkup with the illustrator, and a reading. They were also interviewed and filmed by the BBC, acting as fantastic ambassadors for our school, and showing what keen readers they are. Thank you to all the children, and to Mrs Aylett and Mrs Vaughan who run the amazing club and joined them for this incredible experience.

To see and read the interviews and what the morning entailed, tune in to Look East tonight at 6:30pm or pick up the Gazette tomorrow.

## Year 4 at West Stow

Year 4 enjoyed a fantastic day at West Stow Anglo Saxon Village and Museum today. They spent a long time exploring the buildings of the village – asking insightful questions along the way, and working through the activity boxes in each house. They had great fun trying on the costumes, and worked hard studying all the exhibits and replica boxes in the museum. Thank you so much to Mrs Alexander, Miss Horton, Miss Clay, Miss O'Connell, Mrs Huckle, and Mr Manning for all your hard work on the day; and thank you to Year 4 for being such inquisitive historians and great company.
