Park Run Takeover

Would your child like to join Mrs Malcolm, Mrs Lawrence, Mrs Aylett, Miss Birbeck, Miss Roulston, Miss Randall and lots of our fantastic parent helpers and their friends for a fun run or walk on Sunday for the St Lawrence Park Run Takeover? All you need to do is this:

- Register your child with Park Run here:
www.parkrun.org.uk/colchester-juniors/
- Print out their barcode (email the office with the document if you don't have a printer)
- Turn up at Old Heath Recreation Ground by 8:45am on Sunday 9th June for 8:50am registration
- Buy yourself a coffee or bacon sandwich to celebrate at the end!
- (Children have the option of wearing their St Lawrence t shirts if they'd like to)

Red Class have spent lots of time this week thinking about distances. They've looked at maps to investigate what's further away and closer.

Orange Class have been looking at different materials this week. They've sorted items out into their materials, describing the distinguishing properties of them.

Year 2 have been learning about Victorian Games this week by learning the rules, playing, and taking it in turn to join in the Victorian fun ahead of their school trip.

Green Class enjoying a fantastic archery lesson today, with many of them choosing to attend the after school club. We'd love to hear your feedback!

Talked a lot about Ancient Greeks this week. They've located modern Greece, and are learning about the historic timeline. Can you research any interesting facts?

Year 5 have been painting Rainforest flowers in the style Henri Rousseau this week. They have also worked hard on their short and long multiplication in Maths.

Year 6 have been narrative writing this week. They used their imaginations by adding their own narratives to stories without words.

If you could bring back an extinct animal, what would it be?

By Charlie in Year 6

Key Stage 1 Winning Answer by Jake in Fondation Stage

I would bring back a wolly mammoth and feel his coat

Key Stage 2 Winning Answer by Cecily in Year 4

I would bring back the wolly mammoth because when they were on Earth, there was no littering or rubbish on the floor

School Uniform

As is normal over the summer period, School Trends will extend their turnaround time for delivery of ordered school uniform to 3 weeks. This means that if you would like new uniform to arrive by the autumn term, please place an order by 9th August (for home delivery), and 24th June (for school delivery). I have had every assurance that they have more than able to cope with demand this year - having restructured their business, however as usual please do keep me posted if you are concerned for an order placed. Thank you!!

Clean Air Heroes

Next week marks the beginning of our summer leg of Clean Air Heroes, where we have the opportunity to win a financial donation to the conservation of rhinos in the wild by Colchester Zoo. Being quite a local school we have been given difficult targets to reach – that it would be amazing to get! So please encourage your child over the course of the three weeks to

cycle, scooter, or walk to school as much as they can!

Year 3 at Abbots Hall Farm

Year 3 enjoyed a fantastic day at Abbots Hall Farm this week. They went on a farm walk and identified trees and insects, listened for wildlife, made natural art, cooked bread over a fire, and made butter! It got quite damp towards the end of the day (making bread-making particularly difficult), but spirits remained high with fantastic Green Class!

Thank you year 3 for being such wonderful ambassadors to St Lawrence, and a huge thank you to our fantastic parent volunteers, Mrs Parker, Miss Riley, and Mr Coker.
