Year 6 at Brightlingsea Harbour

Year 6 had a fantastic time at Brightlingsea Harbour this year, getting to know the area, going on various crafts, and looking at lots of the sea life that lives in the harbour.

Red Class have been super busy this week; looking at floating and sinking in science, counting in twos in maths, and story endings in literacy.

Year 1 have been investigating materials this week in science. They've assessed the strength of various materials as well as how waterproof they are, to design shoes for the witch!

Yellow Class have been working on some amazing self-portraits this week in art. They drafted their picture in pencil, working up to watercolours and blending techniques.

Green Class have been looking at right angles in the environment this week, combining Maths and Geography. How many can you spot over the weekend?

Year 4 have been learning about Greek Myths this week during literacy, writing their own version of the medusa story. They've also been using protractors in Maths.

Year 5 spent time this week looking at features of persuasive writing in English. They have also been busy debugging flow-charts in ICT, as well as fractions in Maths!

Year 6 are working towards their final piece of long writing this week, to showcase all the skills they've built up. They're looking at structure, punctuation & characterisation

Sustainable Rowhedge

John Rowland from the Parish Council will have a stall at the Regatta this Saturday for a new project aimed at making Rowhedge more sustainable. The pupils at St Lawrence are really committed to helping the environment, and have made a collection of posters for John to showcase. Head to the stall to have a look at their amazing work!

Whole school attendance this week: 97.28%

	Foundation Stage	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Percentage	99.61%	95.69%	98.28%	97%	95%	97.08%	98.21%
Absences	1	10	4	6	12	7	4
Lateness	2	0	4	3	2	0	0

If you could be a robot, what kind would you be?

By Riley B in Year 3

KS1 Winning Answer by Kip in Foundation Stage

I would be a fast getting ready for school robot, and then I could beat my brothre and sister.

KS2 Winning Answer by Matilda in Year 3

I would be a robot that can help all of the mums and dads to do the house work and chores. It would make life easier for them.

Clean Air Heroes

Just one more week of Clean Air Heroes! The rain hasn't helped at all so lets see if we can work together in one final push to smash our targets! PLEASE try your hardest to walk, cycle, or scoot to school next week if you live locally.
Sustainable St Lawrence!

Head Teachers Awards

Kianna in Year 1; Archie, Ffion (x2), Freya, PJ, Amelia, Logan, Phoebe, Logan, Hayden, Roman, Lorelei, Layla, Joe, Alba and Eliza in Year 2; Rafe, Miley, Matthew, Rio, Megan and Cecily Year 4

Ducks!!!

The regatta is THIS SATURDAY. If you can, please do support our PTA by buying a number for the duck race. We'll be selling them on the playground at pickup today (for £1 each) as well as on the day until they run out. On Saturday we'll also be selling what key influencers are calling 'the most cutting edge tote bag we've seen in years', and what an anonymous source at Vogue Magazine have described as 'the future in Regatta themed badges'. These have a VERY limited quantity, so head to the front to buy yours as early as possible. Bags will be £3.50 and badges 50p, or you can opt for 'The Meal Deal' – a bag, badge, and duck number for a fiver. NOT TO MENTION a 'Ducky Dip'. As you can tell, we're really running with the duck theme this year.

Teachers Next Year

We are pleased to announce the teachers in each year group in 2019/20 are as follows. Learning Support Assistants to be confirmed.

- **Foundation Stage: Miss Roulston**
- **Foundation Stage: Miss Pryce**
- **Year 1: Ms Rayner & Mrs Musson**
- **Year 2: Mrs Auton**
- **Year 3: Mrs Parker**
- **Year 4: Mrs Alexander**
- **Year 5: Mrs Aylett**
- **Year 6: Miss Birbeck**

Year 2 at Holly Trees Museum

Year 2 had a fantastic time at Holly Trees Museum this week, learning all about Victorians. They dressed up in traditional clothing, learnt about how they did their laundry, played with Victorian toys, and heard all about how the building functioned in the era. They even played with an exact replica dolls house of the museum! Thank you so much to our amazing staff, parents, and volunteer helpers who made the day possible.

Castles in Year 1

Year 1 have been making castles this week as part of their topic. After designing their castles they built them using their cutting, sticking and painting skills. There were some fantastic details like drawbridges, towers and battlements. Well done Year 1!

Head Teacher: Kerry Malcolm
