Summer Production

Our Summer Production of Rock Bottom is NEXT WEEK. Year 6 have been working really hard learning their lines, helping design the set, making props, and helping with the costumes. Year 5 have done a great job of learning the songs to help support them. There are still tickets available so please do head over to the online payment system to purchase some if you haven't already. They are only £1.50 each, and we know it would mean a lot to the children to have lots of friendly and supportive faces in the audience. A HUGE thank you for Mrs Green and Mr Coker who have been working tirelessly to help get everyone ready, and Amanda Jones – who has given up loads of time to come in and give Year 6 acting lessons and guidance. We can't wait to see it!

Today we were joined by children from preschool due to start with us in September, who were invited to come in for some cookies and milk. They did a great job at carrying their trays, and were all so polite.... We can't wait to get to know all our new friends even more after the summer break! If you have any questions about transition, let us know.

Greek Day in Year 4

Year 4 enjoyed a fantastic Greek Day today! They spent the morning designing and making Traditional Greek Urns, and then enjoyed lots of different traditional Greek dishes in the afternoon; including feta cheese, tzatziki, vine leaves, bread, olives, olive oil, and salad. They were joined by Vicky Helliwell who talked to them about Greece and its traditions and foods, and even taught them some Greek words! Thank you Vicky, Mrs Alexander, & Miss Horton for making it such an informative and fun day.
