Mersea Camp

What an amazing week Year 6 and staff who attended Mersea Camp had last week!

Children achieved goals, overcame fears, met challenges, and were such an incredible team. It was inspiring to see everyone working together so well. Thank you Year 6 for being such a fantastic group. We hope you enjoy looking at these photos as much as we did!

As well as reading book Huey by their class author, Squares and circles have been looking at Super Heroes, making masks finding numbers in a hunt.

Orange Class have been learning to count forward and backwards this week using a number line. They have also been working on some amazing self-portraits in art!

Year 2 have had lots of fun designing and making sock puppets this week as part of their class topic. They have also been working hard on place value in maths.

As part of their work on Romans, this week Year 3 have been making mosaics using wooden blocks and paint. They are also preparing for a dig to find Roman Artefacts.

Year 4 have had a busy week learning about the similarities in all living things in science, working on their times tables in maths, and starting their own stories in literacy.

Year 5 have spent time during science learning about force and air resistance. They also spent an afternoon being archaeologists to hunt for treasure in Egyptian tombs.

Year 6 have been writing their own myths as part of their Mayan topic in literacy this week. During science they made keys to identify unknown plants and animals.
