## Amazing Baking in Year 6

Year 6 have had the most fantastic week, designing and creating truly delicious (and some very imaginative!) chocolate puddings. Thank you SO much to Miss Birbeck and Mrs Green who have really worked so hard, as well as all of year 6 for their fantastic efforts and positivity throughout.

**Communicate.**  
Even when it's uncomfortable or uneasy. One of the best ways to heal, is simply getting everything out.

Foundation Stage had a super picture in the Gazette this week. They are already such a great team. They have painted lovely pictures in art this week.

This week Orange Class have been counting forwards and backwards in Maths, and using the language 'greater than', 'less than', and 'equal to'. See if you can use these at home.

Yellow Class have writing descriptions of Bob's travels in space. They used some super adjectives to describe people, settings and actions. Their handwriting was beautiful.

In Green Class this week the children learnt about Roman Chariot Racing. They planned and wrote their own non-chronological reports to tell everyone what they learnt.

Year 4 have been learning about numbers less than zero. They have been thinking about the use of a decimal point and ordering numbers thinking carefully about their value.

In Year 5 the children have been reading poems by William Blake. Their favourites were Tiger, Tiger and The Lamb. They are writing their own poems about animals.

In Year 6 this week the children have been learning about Fairtrade. They put their chocolate knowledge to the test with some amazing baked creations!

**What if there was a new world, what could it be like?**

By Alex in Year 4

**Winning KS1 Answer by Holly in Year 1**

I wouldn't change our world as it is beautiful the way it is with all the seasons

**Winning KS2 Answer by Archie in Year 6**

It would be a world of peace, happiness and no war whatsoever. It would be a place no one would ever think of

## Fireworks Tickets

This year tickets to the Rowhedge Fireworks Display can be bought ONLINE. We're hoping to sell out so be sure to buy in advance! There will be a LOT more food stalls; including mac & cheese, jacket potatoes, wraps, and donuts. With the same curry, burger, popcorn, and ice cream vans as before. Head over to our facebook page and hit the 'shop' button:

## Data Collection Sheets

Please look out for data collection sheets coming home with your child over the coming days. We will need ALL of these to be checked, updates, and signed. They include new data and photographic consents in line with GDPR compliance. We will need to keep chasing until all are sent back, so please do complete and return these as soon as possible.

**Thank you so much!**

## An inspirational Assembly

Cassie and Rylee asked Mrs Malcolm if they could lead their own assembly this week, which we were delighted to take them up on! They planned and led it entirely on their own, giving us all such an inspiring message about how even those among us who feel like they don't have a voice are important and can be powerful – much like David was with Goliath. We're VERY proud of our St Lawrence family, and always welcome such fantastic ideas and initiative.

## Play Leaders

Our Year 5 play leaders are taking their new responsibilities very seriously, and are doing a great job at helping the younger children on the playground join in with games and have fun during break and lunch time. It's always such a pleasure to see how well our children support each other across the year groups. They've definitely earned their badges!
