Well Done Noah!

Throughout April, Noah in Year 1 has cycled ONE HUNDRED miles. He decided he would like to raise £100 for charity (a pound for every mile cycled).

He has a justgiving page for Surfers Against Sewage to help clean up beaches and oceans, and has already exceeded his target! Well done Noah, what a fantastic idea and AMAZING effort. If you would like to help Noah raise as much as possible, please visit:

Would it be better to be an explorer or an artist?

Winning KS1 Answer by Evie in Year 2

I would be an explorer so that I could see all the animals and explore all the things I have never seen before. Then I would write a book about them so other people can enjoy and explore just like I did.

Winning KS2 Answer by Lorelei in Year 3

I would rather be an explorer, because I can be close to nature and find out things that people don't know yet

Prayer for America

Dear God,

Thank you for our family and friends because it's a hard time.

Please help us share love around the World.

I am grateful for my family and friends.

Please help us to keep going.

Amen

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Around The World

Many of you have travelled FAR and WIDE in your imaginations this week! Some families have chosen to explore the countries suggested by Mrs Malcolm, others have chosen their own countries, and many people have been doing different things with their children. Everything you have done has been AMAZING. Please remember to send us photos and emails about ANYTHING you have done. Did you build a den this week? We want to see it! Did you try a new food? We want to know about it! Have you made up a new game? Share it!

Confident Pompeii

*Until it was crazy,
Everyone was lazy,*

*A little rumble,
We're not going to crumble,*

*So they said,
Lying in bed,*

*Next thing they know,
Everyone is screaming 'N000',*

*Day turned black,
Just like that,*

*Suddenly BOOM,
It was dark like the moon.*

*There was a great mass,
Of toxic gas,*

*In Pompeii,
In the middle of the day.*

Thank You Key Workers

We real love seeing your photos and messages about how you have been thanking The NHS, Carers, and other Key Workers.

Please do keep these coming!

What is Normal?

There is no normal! YOU know your child best, and you know what your child likes and how to engage them. Please please do not compare yourself to others you see on social media.

No two families are the same,
no two children are the same.
We all enjoy different things
and learn in different ways.

We are ALL having bad days.
We are ALL facing challenging
behaviour.

So many of you are being really honest and frank about the difficulties you're facing, and we are doing all we can to help. If you're worried or anxious about anything, please just let us know.

We are heading towards the end of our sixth week of lockdown. You are all **AMAZING.**
