

Sometimes I wish we were drawing the cartoons not starring in them
Danger Mouse

Next Phase

We rolled up our sleeves this week and are preparing the school for two more houses – House 7 and House 8. These houses will be made up of:

- Children in the eligible year groups now looking to return
- Children of Key Workers who now need to return
- Siblings of children in the eligible year groups
- Vulnerable children

We had a fantastic response to the question of whether you would like your child to return to school in some capacity, and are committed to delivering this offer. Due to the amazing uptake, we now know this will not be a permanent or full time provision, but we are really looking forward to seeing the children to reacclimatize them to the school setting ahead of the summer holidays. We will be in touch in due course.

What gadget would you create to be a secret agent?

Winning FS Answer by Annabelle in Red Squares

A camouflage wolf mask that has bushes around your face as disguise.

Winning KS1 Answer by Evie in Year 2

I would make a gem that spreads love and friendship and respect. It will be glittery and whoever goes near the gem will get all these things.

Winning KS2 Answer by Kenzie in Year 5

I would create a gadget that looks like a pen but it can unlock locks, steal data, and erase minds.

New Tie

We received a sample tie this morning, and couldn't WAIT to show it off to you

3, 4 & 7	8.55 a.m.	3.05 p.m.
