**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

## A Happy Return!

Stan and Ivy literally jumped for joy on their way to school on Monday, the first time they have come to school together for 13 weeks! So lovely to see!

## PE Lessons

We're so proud to still be providing a full sport's provision, working closely with Annabelle, to all Houses. The children are enjoying the same fantastic PE lessons as they always have, with Annabelle setting up activities that allow her to stay a safe distance. Nothing will stop us enjoying our outdoor fun!

## Please Help Us

Thank you so much for understanding that drop off and pick up times need to be kept on a tight schedule to enable us to keep the school day as long as possible.

PLEASE also help us with ensuring your child comes into school with everything they require. We CANNOT give children a cup of water, and we CANNOT apply sun lotion. Please ensure they come in WITH their water bottle, having taken any medicine they need, and wearing sun lotion.

Parents and carers are only allowed up to reception in case of emergency. If you are late, or need to deliver something to your child; for the safety of all children, PLEASE wait at the bottom of the gate and call the office. Thank you for your help.

## Welcome Houses 7 and 8

You have been AMAZING Houses 7 and 8! You have returned to a very different school to the one you left, after thirteen weeks at home, and have settled in SO well. Old friendships rekindled, new friendships established, and lots of laughter, learning, and fun. The joy and resilience we're seeing here and hearing from at home every week is inspiring.

## Still Rocking It At Home

Another week nearly DONE and you've all rocked it. It's starting to feel super tough for many families, but we're in the final push here..... Just a few miles of the marathon left. We've loved hearing about and seeing photos of the various things you've been up to this week. You've all done such an amazing job of finding your pace, of getting to know what works for your child, and of curating your days accordingly. Picking out what works from the weekly theme, whilst coming up with your own ideas. Looking at websites, going for walks, being creative, and finding what makes your child happy.

Today we said goodbye and good luck to Mrs Thorogood, who we will miss in the lunch hall, but who we're delighted to still be seeing her over the fence while she works at Preschool! Thank you for all your hard work, we wish you all the best
