

# Talent Show Special

As part of our Leaver's Fun, houses 5 and 6 performed a talent show to a THRILLED (socially distanced) audience today. We heard beautiful music with drums, guitar, keyboard, singing, and a rap. We were on the edge of our seats watching dances, gymnastics, skipping, and hula-hoops. We were in creative awe of artwork, acting, and script writing. And I don't think we have EVER witness such an amazing stand-up performance or magic show. We were then treated to both houses singing their leavers songs to the select crowd, in preparation for next week. SO GOOD.
