### Photography Project

We love the photos we are receiving so much that we are extending this project by another week. Please keep sending us photos your child has taken for our photography exhibition. They can send as many as they like, and take photos of whatever they would like! We've had *photos of pets, photos of parents working from home, photos of baked goods, photos of empty jars in the cupboards, photos of zoom sessions, photos of masks, photos of toys, photos of your favourite walks, photos of the front door*, all taken by the children and ALL completely brilliant. So PLEASE do keep these coming, the creativity of children knows no bounds. Those in school have been taking part too! Please email your child's work of art to the school office.

**How do you think is the best way to make a friend?**

#### Winning Foundation Stage Answer by Charlie

*Cuddles and love, play with them, always look after them, and if someone is being mean to them you get the teachers, so they are happy again. I'll let them play with my dog too.*

#### Winning KS1 Answer by Oliver in Year 2

*The more you play with someone, the more friendship you will have.*

#### Winning KS2 Answer by Cameron in Year 6

*I think the best way to make friends with someone is to just be yourself around them. Also be kind and treat them how you want to be treated.*

**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

## Stone Age Day in Years 5 and 6

Children in school in Years 5 and 6 had a Stone Age day today! They became Historian's and researched the settlement Skara Brae, made charcoal in class using twiss burnt over the fire at frorest school last year, and using their charcoal – drew Stone Age style images. We've also seen some amazing art work and presentations from those at home!

## Poems

### When I'm feeling lonely.....

I talk to my friends.  
I listen to a song,  
I guess what is wrong.  
I watch a cool movie,  
that could be groovy.  
I have a good laugh  
while watching a giraffe.  
I punch my pillow,  
While looking at Mr Willow.  
I read a book  
while watching my mum cook.  
I start to eat lots of cookies  
I munch on some chocolate  
while watching Harry Potter opening a locket.  
This is what I'm doing while I'm feeling lonely.

### When I'm feeling lonely

I have some chocolate,  
Or I facetime my friend,  
I'll play some games.  
And I'll have some fun  
I'll bake some cookies,  
And give them to my family,  
I make some modeling clay people,  
I make a card for someone I haven't seen in a while,  
And all that makes me smile!
