

You don't have to be perfect to be positive *Eliza in Year 4*

29th Jan 2021

We've Gone Viral!

In case you haven't seen it, here is the INCREDIBLE instillation created using the completely fantastic drawings and words sent in by lots of children, for our POSITIVITY IS A SUPERPOWER art project. We were delighted this week to see that the artist we were originally inspired by, and the company who make games using her art, have been sharing the project via Facebook and Instagram. So far it has seen and been liked and been shared by hundreds and hundreds of people from across the world, who all – rightly, say how amazing and inspiring the children of St Lawrence are. Thank you so much to Mrs Clark who worked so hard to make this project come alive, not to mention all the families and children who worked on this at home and in school.

How could you help someone be brave and try something?

Winning Foundation Stage Answer by Sky
Be a friend and help them try and build back up

Winning KS1 Answer by Elizabeth in Year 1
When they are scared of something I will be behind their back, so they are not scared and they can be brave like David in the Bible

Winning KS2 Answer by Jack in Year 5
I would tell someone that they can do it, so they persevere

Headteachers Awards

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

African Drums

Year 2 had great fun playing the African Drums last week in music. Such a rhythmic group!

Iron Man in Year 3

Children in Year 3 have started to read The Iron Man by Ted Hughes. They have done some amazing work linking in to their class book, including these fantastic drawings!

Photography Project

This is your last weekend for your child to take photos in order to send them in to us by the end of Monday, where we will work on how to showcase and display them as best we can. We have been amazed by everyone's creativity, and have loved seeing the world through your child's eyes. Please keep them coming – we want a snapshot into your world! (You can send us as many photos as your child would like to take.) Here is a tiny selection of what we have been sent so far..... thank you all so much!

Fantastic Foundation Stage

Here are some photos sent to us from home of some of our FANTASTIC Foundation Stage, who we are all missing very much!

Islands in Year 4

Children in Year 4 have all been working on islands. They've talked about the potential environments on an island, what you might expect to see, have looked at island coordinates in maths, and those in school created their own islands made out of clay using all the research. Well done to everyone at home and in school who worked so hard on this topic.
