

# **Creativity is just connecting things** *Steve Jobs*

### **Connect through Creativity**

Has your child worked on their Connecting through Creativity project that we sent home yet? Each individual colouring in sheet is part of a complete picture, so your child's contributions is vital to the final piece – each square being as important as the next; and we cannot wait to see them all together. The second element to this project is 'expressing yourself through art' on the coloured squares provided, for inspiration watch this great video.

We're really excited to see these two instillations come together. Please deliver your child's work into our post box at the end of the driveway by the end of next week so we can work on putting everything together, and CONNECT our CREATIVITY.

#### THUNK

If you could do whatever you wanted to, what would you do?

Winning Foundation Stage Answer by Esther If I could do anything I wanted to do, I would cook some soup

> **Winning KS1 Answer by Owen in Year 2** *I would love to have a day with Topsy and Tim*

Winning KS2 Answer by Evie in Year 3 I would invite my friends over and I would put my pool up. I woud put my music on and dance in the pool. I miss my friends

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

# **Electricity in Years 5 and 6**

This week children in school in Years 5 and 6 investigated which material was a conductor of electricity. They made their own switch, made a circuit, and tested out different metals.

#### **Clouds in Year 2**

Year 2 have been reading The Cloudspotter by Tom McLaughlin. They have been outside finding pictures in the clouds like the cloudspotter. They were very imaginative, and found dragons, cats, crocodiles, and a river! What can you see?

## Things we are looking forward to jars

Children in Orange Squares have been making 'Things we are looking forward to' jars. They had lovely discussions in class about things they love the most and can't wait to do. We are really looking forward to all the children sharing their amazing experiences with us!

"I look forward to going to lego land" "I look forward to going on a holiday" "I look forward to going to Disney Land Paris one day" "I look forward going to nannie's house" "I look forward to seeing all my family again" "I look forward going to the zoo and seeing friends, family, holidays and pepper pig world!"

### **Home Learning**

We love receiving your messages from home. Whether is a a Maths sheet your child has worked on, an email to tell us you're all ok, a piece of art, or a photo of your child having fun. Please do keep in touch. We really do appreciate the contact.
