**The timeslots remain as they were in November, as below:**

| Years                                   | Drop off time | Pick up time |
|---|---------------|--------------|
| 3 (Green) & 4 (Blue)                    | 8.45 a.m.     | 3.00 p.m.    |
| 2 (Yellow) & 5 (Indigo)                 | 8.50 a.m.     | 3.05 p.m.    |
| 1 (Orange Squares) & 1 (Orange Circles) | 8.55 a.m.     | 3.10 p.m.    |
| Foundation Stage (Red) & 6 (Violet)     | 9.00 a.m.     | 3.15 p.m.    |

Please keep to these timeslots and socially distance on the recreation ground. If you are late, your child will need to wait with you until they can safely enter and we call them in. Please try to stand in the same place each day, and keep an eye on when your child is leaving. These things really help us keep the gate running as smoothly as possible, and in turn helps us assist any child finding it difficult. See you SOON!

**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

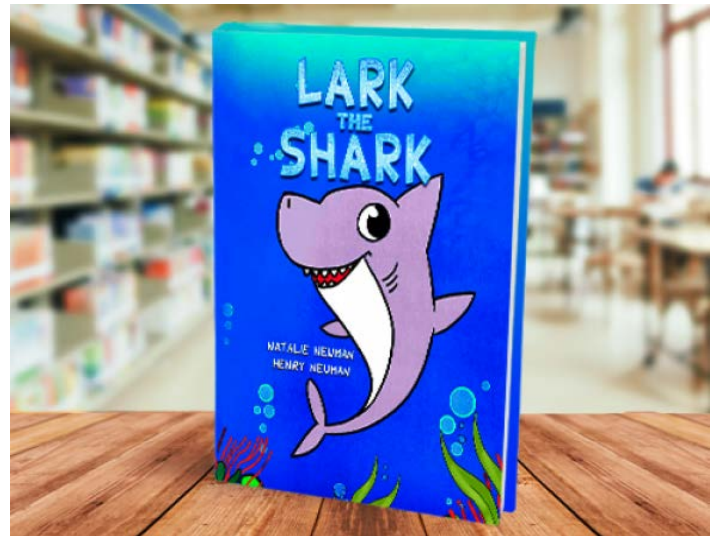

## Nature Journaling

This week many of you took part in our Nature Journaling Zoom sessions hosted by Essex Wildlife Trust. We'd love to see what the children see and witness and create off the back of it! Please do send any photos in to the office or your child's class teacher so we can share with Essex Wildlife Trust.

## Lark the Shark

As part of Word Book Day, children in Years 1 and 2 were invited to attend a special Zoom book reading by Author of Lark the Shark Natalie Newman. Thank you so much Natalie, and everyone who joined in!

## Art Projects

Our whole school project 'Connect through creativity' inspired by this year's Children's Mental Health Week with Place2be, has been turned into this fantastic art installation. All of these AMAZING coloured squares that were drawn on, stuck on, screwed up, written on, coloured on have been connected together. You really did EXPRESS YOURSELF and we have to say we think every single square is incredible... just look what we can do when we connect through creativity and express yourself!!!

Thank you SO much to everyone for getting involved.

We can't wait for you all to be able to come in school to see these. We will be sharing the result of the other element to this project very soon, and we cannot WAIT for you to see that too. It will BLOW YOUR MIND.

And finally, thank you so much to those of you who have worked on our kindness art project. The feathers we have seen are full of kindness, love and generosity; and all look beautiful. If your child would like to be a part of this instillation, please send their feather in to us by the end of the weekend.
