

Whatever is good to know is difficult to learn *Greek Proverb*

27th May 2021

What do you think?

Over the coming weeks, we will be holding discussions in school about our return in September. Some of the things we have put in place due to the pandemic have proved to be incredibly positive changes. For example, many children have expressed how much they love having assembly outside, and some of the parents have said how much they love drop off and collection on the recreation ground. We are really happy to make changes and to keep things in place that work best for the children and our families. This is where you come in! Is there anything you have particularly liked? Is there anything you have particularly disliked? We'd love to hear from you. Give us a call or drop us an email if you would like to share any thoughts, ideas, or discuss anything. Thank you so much.

Plant Art in Year 2

Year 2 have really enjoyed learning about plants this half term. This week they spent the afternoon creating beautiful works of art; flowers complete with 3D leaves, petals and roots. The children have blown us away with their AMAZING designs. Well done year 2!

Collecting Stamps

If you have any used stamps from letters, we'd love it if you could keep hold of them and send them into school with your child. We are now collecting these for the Bone Cancer Research Trust Stamp Appeal. The stamps can be first or second class, from abroad, first day's covers or horizon labels. They will be used to help fund life-saving work. For more information, please visit:

www.bcrct.org.uk/get-involved/other-ways-to-donate/the-bcrct-stamp-appeal

Headteacher Awards

Owen, Ivy, Billy, Henry, Kip, Fia and Stanley in Year 2; Maisie, George, Isabella, Taylor and Sophie in Year 3

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

WWII day in Year 3

Today Year 3 had GREAT fun during World War 2 day!

They 'dug for victory' in their new garden area, developed their stitching skills by sewing on a button, and made preparations for VE celebrations! They made iced biscuits, sang classic songs from the era, and danced! They all looked incredible in their outfits and were so engaged and excited throughout; it was a day full of incredible discussions, and joy!

*Thank you to everyone who risked the weather and attended the first round of parent consultation evening sessions this week. The next appointments will be on **Monday 14th June**. If you have been unable to book a slot please get in touch so we can make alternative arrangements for you. Thank you!*

Greek day in Year 4

This week Year 4 enjoyed GREEK DAY! They designed and made their own Greek pots, imagined and drew temples that would house a Greek God of their choice, sampled various Greek dishes (including Mrs Alexander's famous tzatziki), and even learnt some Greek words. Well done to everyone in Year 4 for making the day so special with your enthusiasm.

*The last day of this half term is **Thursday 27th May**, as Friday is a staff training day. We look forward to seeing you on **Monday 7th June**, and hope you all have a lovely, sunny, and where possible relaxing, week.*
