Physical Education

At St Lawrence, so many children love to be physically active. During our PE lessons, the children have the opportunity to learn and practice many different physical skills. PE lessons are led by our teaching teams and by Annabelle, our super RAD Sports Coach. Our lessons help to develop co-ordination, balance and body awareness. They also develop the children's games, dance and gym skills. We teach the children how to work as a team, consider team strategies and communicate well as a team. Sometimes we have winning teams which means we also have losing teams – this brings lessons of celebration, resilience and acceptance of defeat. There is always so much to learn!

Would you like to be the most important person in the World or the most famous? By Jack in Year 5

Winning Answer by Katherine in Foundation Stage

I would be important as I want to be a teacher, and that is so important.

Winning Answer by Henry in Year 1

I want to be an important person, like the Prime Minister, to make sure that everyone is safe and doing the right thing.

Winning Answer by Connor B in Year 5

If I was the most important person in the world, I would stop people polluting the oceans and chopping down so many trees in the rainforests; it is destroying the animal homes.

Headteacher Awards

Jamie, Elizabeth, and Lilly in Year 1; Drew and Oliver in Year 3; ALL of Year 5

Rectory Road, Rowhedge, Colchester, Essex CO5 7HR

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

5 ACRES of Rainforest!

Through their hard work and dedication, Year 5 were able to sponsor FIVE ACRES of Rainforest with the money they raised. Rainforest Concern were so impressed with everything the children had achieved, they sent them a letter, stickers, a certificate, and a magazine. We will be sending a copy of the certificate home with all children this week. WELL DONE Year 5!!

Jerusalema

Watch out world (and Rowhedge), because there is a NEW INTERNET SENSATION IN TOWN (the village). Year 4 have spent WEEKS learning the moves to the viral sensation Jerusalema. To parents of children in Year 4 – we are sure you are very used to some of these moves and this music already. But this lovely video of the children (and grownups) in Year 4 performing the dance on the river-front and the recreation ground. WE LOVE IT!

Click [here](#) or head to our Facebook page to watch it.

Year 2 at Forest School

We have been busy bees this week preparing for our Forest School sessions from next week with Year 2. We haven't been in so long, and really can't wait. Whilst it's been a minute for us, we know lots of children have been enjoying the site, so popped down there to tidy the area. It looked amazing, thank you to everyone who have been taking good care of the site!

Some Wonderful Causes

It's so humbling hearing about what our families feel passionate about, and seeing the various projects children spend their time on to either help a cause, an individual, or to help their own wellbeing. We have the most generous, kind, creative, and thoughtful community! Here is Megan from Year 5 cleaning the collection pots for St Helena Hospice and replacing the stickers, so they can go back out to the community to help raise valuable funds. Donating time can be such a difficult thing to do, well done Megan.

The Recreation Ground

A couple of notes regarding drop off and collection on the Recreation Ground...

Please continue to keep your children by your side. We are still being really careful to keep the bubbles separate, but are noticing many children standing very close to those from other classes as they wait to come in in the morning. The government guidelines have not yet fully relaxed, and we want to make sure we are being as safe as we possibly can be. **Please help us by asking your child to wait with you until we call their class.**

Secondly, the football club have asked us to request that parents make sure children do not climb their goal posts.

Thank you so much!
