## Teddy Bear Hospital in Year 2

As part of their class topic, children in Year 2 morphed into Doctors this week and ran their own teddy bear hospital. They talked about what may be wrong with each toy, worked on a plan to help the toy using first aid kits, and even gave each other first aid! They talked about what may be different now from when Florence Nightingale worked, and what might be the same. Year 2 were fantastic caregivers!

*What things might we be able to hear if our ears were a little sharper?*

**Winning Answer by Elowyn in Foundation Stage**  
*A slug slurping!*

**Winning Answer by Rihanna in Year 2**  
*I would hear a hedgehog sleeping and a mouse tip toeing.*

**Winning Answer by Mis P in Year 5**  
*If I had sharper ears, I could hear somebody's imaginary bucket being filled with joy and happiness that has been given to them, with a smile, a hug, or even a compliment.*

## Headteacher Awards

Evie J, Evie B, Zachary and Jamie in Orange Squares; Rylee, Daisy, and Charlie in Year 3

Rectory Road, Rowhedge, Colchester, Essex CO5 7HR

**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

## Agents of Change

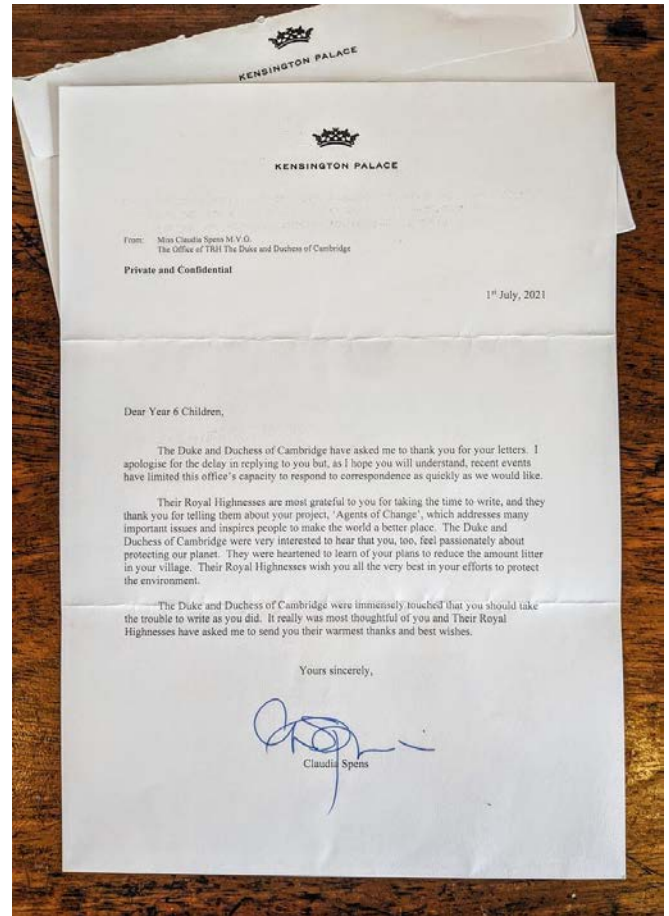

We have seen SO many more projects and activities created by children who are incredible Agents of Change than we expected this year. We are blown away by the dedication of pupils to uplift, advocate for, and support others. We've seen work completed for the betterment of the environment, we've listened speeches and poems about anti-racism, we've heard about funds being raised for charities, and been in awe of children donating their time to help others. We think the pupils of St Lawrence are everything this world needs for a positive future.

Tilly and Poppy earnt a sticker each by working with The Junior Design Factory to write and illustrate their very own book about the ship stuck in the Suez Canal, and read it out during assembly. Well done Tilly and Poppy, we think this is an incredible achievement. And well done to EVERYone who have been working hard.

## The Duke and Duchess of Cambridge

We were delighted this week to receive a letter from Kensington Palace, in response to one sent by Year 6. What an amazing experience, and what testament to the power of writing to those in a position of authority.

## Information for your new Teacher

As we head RAPIDLY towards the end of the year, the teaching teams are starting to get together to find out all they can about children coming up to them. Teachers will discuss additional needs, levels, and anything else important before they get to know your child themselves from September. The office will also pass on medical needs and details of your photography consent.

**If there have been any changes in your child's medical needs, if you would like to change their photography consent, or have anything else that you would like to discuss – please just get in touch with the office on email or by phone.**

## Year 6

After a week of really hard work filming their play (WELL DONE to everyone involved), we have lots coming up for Year 6 as they head towards the end of their primary education. Make sure you complete their final lunch menu, as the option on the menu for Tuesday was their choice and will be part of a 'treat day' planned!
