A HUGE Litter Picking Success

Thank you so much to the pupils, families, members of the community, and local leaders, who really SHOWED UP this weekend for the litter pick.... With an EXTRA BIG thank you to Tilly in Year 5. Tilly created this project from start to finish – writing to the Parish Council, designing the poster, and organizing the volunteers, equipment, and zones on the day. We are immensely proud of Tilly and everyone who came along for being so dedicated to helping the community. The event even made it to PRESS.

We don't think it will be long at all before our amazing pupils get into National newspapers..... The world is waiting for you.

Can you think of any alternative names for other creatures?

Winning Answer by Byron in Year 2

Dalmations should be called Oreos because they have the same colours.

Winning Answer by Juniper in Year 6

A hamster could be called a fluff, because it is basicaly just a circle of fluff!

Headteacher Awards

Lucas-Lee, William, Honey, Matilda and Otylie in Year 1; Byron, Eliza, Annabel, Henry D, Brooke, Jamie, and George P in Year 2; Henry, Luke, Matilda, Noah, Owen, Oliver, Louie, Stanley, Betsie, Albie, Olive and Max in Year 3

Rectory Road, Rowhedge, Colchester, Essex CO5 7HR

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Year 2 Geography

Year 2 enjoyed a walk around Rowhedge looking for human and physical features for their geography work in class.

They took photos of what they saw and worked with partners in the other class to play games to learn more. They loved being together as one year-group, and the sun even shone for them!

Will YOU Pledge To.....

It's pledge day! For many weeks, pupils have been generating ideas for how members of staff at The Discovery Channel can be more sustainable. Today staff watched the amazing video pupils made for them, and set about to help the planet with all of the amazing ideas. We decided to have our own pledge day, and do many fun and sustainable activities in school! We'd love you to watch the video and see what YOU can do at home! Please send ANY photos in to us....

<https://youtu.be/pc0bibap5Lc>

Keep an eye on our Facebook page over the next week for some excellent inspiration.

Going Bananas for Chocolate

As part of their class topic, Year 6 have had a GREAT time this week! They designed their own cake packaging and slogan, worked in groups design, bake, create, and EAT their own cakes! The whole process made us all very hungry!

School Lunch Menus

A plea about lunch menus..... PLEASE do fill these out within the allocated timeframe. These are sent home on a Friday, to be completed by the Tuesday. Some people don't get 'push notifications' so going into Ping on a Friday evening would be a good idea.

Every week there are dozens and dozens of forms yet to be submitted. At this point, we manually email all those who have not yet completed a form. Following this the process of phoning all those who ordinarily pay for lunches for their child begins, so that we can complete it for you. We then complete all menus ourselves for children eligible for free school meals. We THEN manually update the report with everyone who call or email us sporadically later in the week as they want to amend what we entered. This adds hours and hours onto the process.

We know people are busy and occasionally miss a week, we know sometimes Ping glitches, but please do help us by completing your child's menu by the deadline.

Thank you!
