FIREWORKS in Year 2

Year 2 have been learning all about onomatopoeias in English. They have used what they have learnt to create noisy, bright fireworks displays! We think these are amazing, well done Year 2!

If you could be a shooting star, where would you go and why?
By Ffion and Freya in Year 5

Winning Answer by Elsie in Foundation Stage

I would go all the way down, and all the way back up again.

Winning Answer by Maxx in Year 1

I would explore the whole, entire night. If you were a shooting star you would be light so you could see where you were going.

Winning Answer by Jasmne in Year 3

I would go and see other stars and glow yellow with the other stars.

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Car Park

We're really grateful to the Parish Council who have re-painted the lines in the Village Hall Car Park to help keep everyone safe. Please note that the bays painted in yellow (as pictured) are to be kept free for blue badge holders and emergency services. A number of children and members of the school community are disabled, and require these spaces for access.

Please also be aware of the small curb running along the side of the village hall. We have been told about a couple of dangerous incidents where children have not been able to access it due to cars being parked too closely to the wall, resulting in near misses with cars in the carpark.

Please do not block the emergency services spaces, blue badge bays, or footpaths. This is really important for the safety of the children and school community. Thank you so much.

Leaf Creations in Year 6

Lilly, Mia P and Jack were super creative on the playground this week with all the fallen leaves. So much fun can be had with the things that surround us – we're delighted that these pupils agree.

Flu Vaccinations

Unfortunately, due to the current strain on the immunisation team, the flu vaccination program has been delayed until 19th November. We will shortly be sending home consent forms and more information.
