Village Quilt

Next week we will be sending home a lovely project for children to look at over the Easter Break. A group in the village have been working for many months now on a village patchwork quilt, where they have invited other groups from the community to contribute a square – including us. Children are being asked to work on their own designs, from which one will be selected to be included on the final project.

Quilts have been a tradition across the continents for hundreds of years, often telling a story or depicting a specific time. They have historically been used as gifts for life occasions such as births or weddings; becoming family heirlooms.

We will send your child home with a paper copy of the resource that they can work on over the holiday. Perhaps we will have so many amazing designs that an expert sewer among us decides to make a St Lawrence quilt! (Alas I am not one).

Keep your eyes peeled on Friday, where you will get a message on ping and send your child home with a copy.

When you had the opportunity to control something of your choice, what would it be and why? By PJ in Year 5

Winning Answer by Grace in Foundation Stage

I would control the whole universe, so everyone could be happy.

Winning Answer by Rebecca in Year 2

I would control people who are being mean to other people so I could make them be kind to people who they have made sad before.

Winning Answer by Ayla in Year 4

If I had the opportunity to control something, I would control people to throw rubbish into bins, so sea life doesn't get hurt.

Headteacher Awards

Elsie, Monroe, Dylan, Finnley, Bobby, Beau, Albie, Michael, Edith, Poppie-Rai and William in Year 2; Owen in Year 3

 If you would like to donate a prize
 please bring it along when buying your tickets.

LOTS OF PRIZES!

Thank you for helping me support this charity.
 Megan, Year 6
 St. Lawrence Primary School
 Agent of Change

Parent's Consultation Evening

Next Monday is our last Parent's Consultation Evening. If you are unable to make it, or have been unable to make any appointment, please do email your child's class teacher or the office to arrange an alternative.

Lunch Menu

If your child can be particular about food, please make sure you complete the lunch menus together. The kitchen try hard to accommodate as much as possible so that children enjoy their food, but sometime there is so much food waste from where children don't want what was ordered and ask for an alternative, that it's not sustainable.

School Clubs

We have now via school ping sent home all clubs available to your child next term. Shortly we will be sending invoices to those who have responded. Spaces are allocated on a first come first served basis so if your child is on a waiting list due to numbers, we will let you know.

If payment is not made by the deadline, we will recall the invoice and offer it to a child next on the waiting list.

Collection from these clubs will be via the front entrance at 4:15pm. Any questions just let me know.

School Trips

Next week Year 4 and Foundation Stage will be going on their first school trip of the academic year.

Please ensure your child is on time, they are wearing comfortable and weather appropriate shoes, and they are wearing comfortable and weather appropriate layers. Check the weather beforehand, as they may need either sun cream or a waterproof coat (or both!).

Please also make sure they have a full waterbottle, and snack and packed lunch as necessary.

Thank you!
