## PIRATES in Year 2

What a swashbuckling day of adventure Year 2 have had this week. They created their own flavour pirate grog, worked out coordinates to move about, sung sea shanties, designed pirate ships and most importantly searched for treasure! We all had such fun!

**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

## Years 5 and 6 Swimming

Today children in Years 5 and 6 enjoyed their first swimming lesson! Please remember **each week** to send them to school with the correct items plus carrier bag for their wet costumes on the way home.

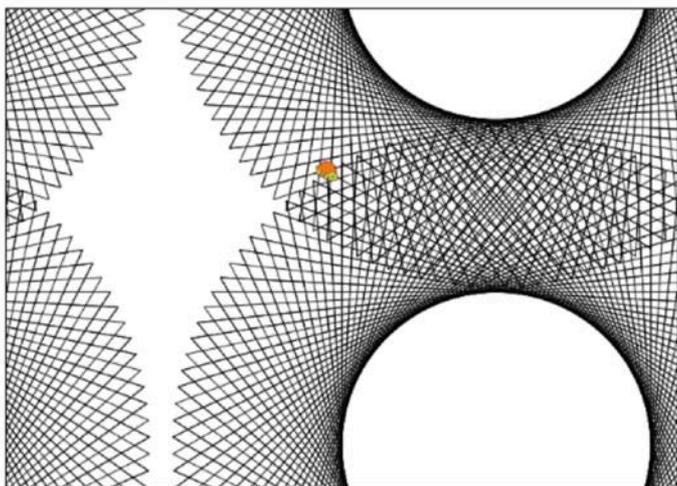

## Good Samaritans in Year 2

As part of their Religious Education, children in Year 2 became Good Samaritans by making posters full of messages of kindness and love, and putting them up around the school. These good deeds cheered us ALL up.

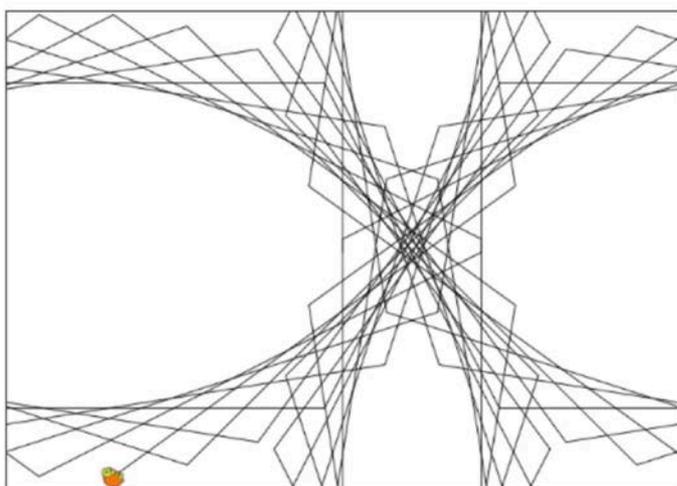

## ICT in Year 4

Year 4 have been working hard on their programming skills, using code with loops to draw shapes. They worked out how to draw pentagons, hexagons, octagons and decagons, and then tested out different values to create other shapes and patterns. Here are some of the patterns that the class created!

Daisy & Isabelle – REPEAT 200 [FD 560 RT 123]

Connor – REPEAT 39 [FD 488 RT 63]

## School Meal Prices

After many years of meal prices staying the same, as of 1<sup>st</sup> June they will now go up to £2.30 per meal (from £2.20). We work hard to keep costs to parents as low as possible and have delayed this decision year on year, however the rises in food prices mean that we now have no choice. Thank you for your understanding.
