### A Lovely Surprise

Year 1 had a special treat down at forest school this week, when they found that a bird has nested in our bird box. We were all so excited to find the eggs and can't wait to find out what birds are (we do have a suspicion..... can you identify them?).

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

## Rowhedge Recyclers

On Saturday 14<sup>th</sup> and Sunday 15<sup>th</sup> May, Rowhedge Recyclers are hosting an event at the Village Hall showcasing all that they do, with stalls to enjoy and information. On the Sunday we will be there with hoops and pickers for anyone who would like to join us for another village litter pick!

Agents of  
CHANGE ROWHEDGE  
LITTER PICK

SUNDAY 15<sup>TH</sup> MAY

Agents of Change pupils from St Lawrence Primary School are hosting a village litter pick alongside the Rowhedge Community Fair.

We'd love for you to come along and get involved. Litter pickers, bin bags and hoops will be supplied along with a location for you to clean up. Just come to the Village Hall between 10:30 and 11:30am on Sunday 15th May to collect your pickers and head off on your litter pick. You can earn yourself an Agents of Change sticker, plus you'll feel really great too! St Lawrence pupils will also earn a stamp in their passports.

## Congratulations

Congratulations to all those who were recognised at The Parish Assembly last night for their hard work and dedication to supporting the community. One of the winners was incredible Amy – who lit up so many of our gardens by donating sunflower seeds to every house in the village throughout lockdown. Our community is very special.

## EDPC Request

The Parish Council have created a survey for residents on their views on how to improve sports and leisure provision on the recreation ground. Please follow [this](#) link if you would like to contribute your views. Paper copies can be collected from the office at The Crows Nest, and the closing date is 15<sup>th</sup> May.

## Class Information

Did you know that you can find information on what your child is learning about on our school website? As well as curriculum information, there are also details on all the class authors and reading books for all year groups.

If anyone would ever like more detailed information please do email your child's class teacher. We know that many families like to visit locations at the weekend that tie into class learning, or create their own science or art projects based on the topic.
