AMAZING Year 6

We are so so proud of Year 6, the first Year 6 group to sit their SATs since 2019. It's been in the news how much pressure children sitting exams this year are feeling, and Year 6 – despite their natural anxieties, have been truly amazing. They are an open, honest, sensitive, and tough cohort and we could not be more proud. WELL DONE Year 6.

Why should promises be kept?

Winning answer from Tommy in Foundation Stage

If you do a pinky promise it means you are kind.

Winning answer from Theo in Year 2

If you give someone your favourite video game and say 'promise you will give it back' and then they don't, it will break their trust and they will never do it again.

Winning answer from Ollie in Year 5

I promise to do all the Agents of Change challenges and I will keep the promise because the world needs more people doing these things.

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Swallows Nests

This week Nick Baker came to school to attach starter nests for swallows to the preschool building. He showed the children in Year 2 what they look like, what makes them inviting to the swallows, where they need to go and why, and what to look out for. We had some experts among us that could identify different birds from photos, and knew where they migrated from. Keep your eyes peeled for exciting visitors!

Skinny Jeaned Gardener

We are really excited to be one of a small number of schools selected to design and plant a garden bed in the town centre as part of Jubilee celebrations. We were visited by the Skinny Jeaned Gardener to talk to Year 3 about this exciting project and talk through ideas. We can't wait to get to work!

Sport's Day

This year we are pleased to be able to invite parents to spectate our whole school sport's day. This will be held on the recreation ground on **Thursday 9th June**.

We hope to start at 9:15am, and it should take approximately 2 hours. Children should be wearing suncream on the day, and a hat would be a good idea.

Please note, there will be no access to toilets for spectators throughout the event.

Forest School

The second half of Year 1 had an afternoon of clouds with rain and then glorious sunshine down at forest school this week. It was a jam packed session filled with exploring, climbing trees, swinging on ropes, learning how to cut and drill with tools, finding slug eggs, plus they even found a fairy door! So much fun and so many smiles - they can't wait for next week.
