Multi-Schools Council

This week we were joined by Kierran from the Multi-Schools Council. As always, he brings a huge amount of energy and enthusiasm with him while he spreads awareness of autism. We all enjoyed a short assembly together, then Years 3 & 4, followed by Years 5 & 6 had workshops to understand more about our brains and the different ways that they all work. It was extremely insightful, and all of the children were really engaged. We are, as always, so proud of our St Lawrence children with their caring and compassionate ways towards everyone.
