Fun Run

Last week some of our pupils attended a Fun Run at Colchester Sport's Park alongside children from schools across our Consortium. The children set (and then smashed!) their own goals. We are incredibly proud of them, and of all the children throughout the consortium. We love these collaborative events and seeing everybody together.

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Great Fire of London in Year 2

As part of their history topic, Year 2 created Great Fire of London jars this week. They have captured the colours and movement so well!

Key Stage 1 Nativities

Dates for your diaries....

The Year 2 Nativity will be at 9:15am on Thursday 8th December.

The Foundation Stafe and Year 1 performance will be at 9:15am on Friday 9th December.

We will send home more information closer to the time.

Children's University

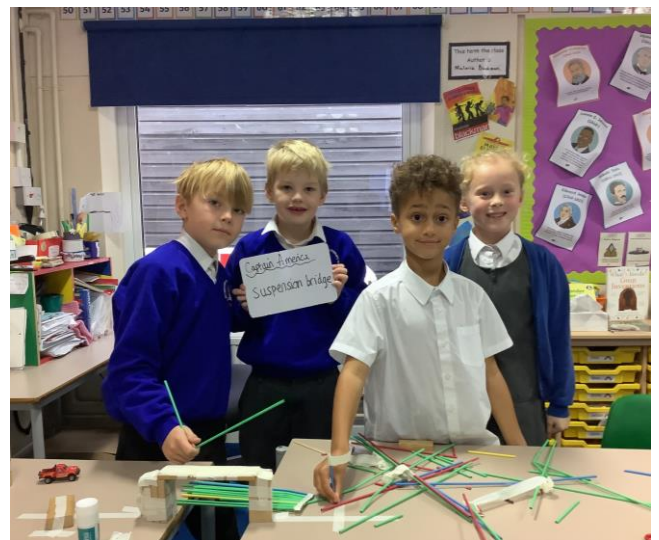

This week Debbie from Essex Children's University visited our school. She spoke with years 3 & 4, then years 5 & 6 about the wonderful initiative. Essex Children's University champions learning outside of school and encourages children to count up their hours at after school clubs, sports clubs, art clubs, drama club, in fact every club or activity or event where children are being taught and are learning. When they earn points, they build up to certificates and there is even an annual graduation ceremony! Check out their Facebook page or website for more information:

Design and Technology in Year 3

Year 3 circles have been busy learning about different types of bridges in design and technology. They worked excellently as a team to choose their favourite design, thinking about the materials they would need and then built their bridge. They needed it to be sturdy and strong and had some time to evaluate and change it.
