Science in Year 5

In science this term Indigo class are working on forces, and week they measured gravity. They picked objects and weighed them using force meters. The measurements they had to use were mass and weight. They noticed that 1kg was 100 times greater than one newton.

What items could you use to make some sort of craft to escape a sinking classroom?

Winning Answer by Maia in Foundation Stage

I would make a bridg that goes all the way to the beach, so I can go home.

Winning Answer by Evelyn in Year 2

We could use the tabes to build a raft. We could turn them over and tie them together.

Winning Answer by Kamari in Year 4

I think you could use cupboards to float, tied together with a table by duct tape and glue. Then, break a laptop to get some electronics and build a motor. Hold it in the water and get all the bottles to use as floats on the side of the boat. Then, just float to land.

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Dates for the Diary

- **Friday 19th November:** Children in Need non uniform day
- **Tuesday 23rd November:** Consortium Football Tournament
- **Week commencing 29th November:** KS1 Nativity Filming
- **Friday 3rd December:** Year 5 Road Safety Pedestrian Training
- **Saturday 11th December:** St Nicholas on the Quay with hot chocolate
- **Friday 19th December:** Last day of term with Christmas Service and lunch
- **Wednesday 5th January:** Spring Term begins
- **Monday 31st January – Thursday 3rd February:** Year 5 Bikeability
- **Monday 14th – Friday 18th February:** Spring Half term
- **Monday 21st February:** Non Pupil Day
- **Thursday 3rd March:** World Book Day
- **Friday 1st April:** Last day of term

Vouchers

This week families of children who are entitled to Free School Meals were sent vouchers for holiday clubs and activities over the Christmas break. Keep an eye out for the email, sent by Wonde.

Unfortunately the flu vaccinations due tomorrow have once again been rescheduled to 7th January. If you have any concerns please do call your GP for their advice.

Church Visit

This week Year 2 and Year 4 visited St Lawrence Church in Rowhedge. They talked about the interesting shape of the building, looked at all of the signs and symbols within the church, and found out all about the objects they saw. They asked some brilliant questions, and we were really lucky to be joined by some of the friends of St Lawrence to help answer them.

Football Tournament

If your child is attending the football tournament next Tuesday 23rd November, please remember to send them to school with:

A water bottle

A snack for the afternoon

A packed lunch (unless you have booked a baguette)

Shin pads (if you have indicated you have them)

A car seat (if your child needs one)

Trainers (unless they have a pair in school)

Year 6 River Walk

As part of their class topic, Year 6 enjoyed a walk to the Riverfront this week. They took photos to bring back to class ready to begin their sketches next week, and talked through various geographical words – such as ‘oxbow’ and ‘meandering’.
