

Winning doesn't always mean being first; winning means you're doing better than you've done before – Bonnie Blair

9th Feb 2024

Year 1

As part of their Agents of Change project this term Year One are creating wellbeing suitcases which other classes in the school can borrow. So far they have created a suitcase to share a cosy story which includes a weighted blanket, a weighted teddy and some get choices of books chosen by Year One. They have also created a puzzle box which has challenges in to help you work on solving problems, working together as a team and develop resilience.

During our DT lesson, we designed and made vehicles with axles. Our vehicles were made stronger using different strengthening methods. We talked about how proud we were and also how we could improve the vehicles.

CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON

Goodbye Mrs Meadows

We are very sad to see Mrs Meadows leave the school today. She has decided to concentrate on studying full time but we hope to see her back for visits! Thank you Mrs Meadows from Year 3 and the rest of us for all your support and kindness.

Year 2

Year 2 had a wonderful visit to St. Lawrence Church. They enjoyed looking closely at the features of the church, asking questions and ringing the church bell at the end! The feedback from the Church was they were a smashing class, well behaved and clearly enjoyed their learning – well done Year 2!

Year 5

This week, as part of their history work on the Stone Age Year 5 researched information about the Neolithic revolution, creating their own questions and answers for a class quiz. They learnt about where farming began, the changes that took place as a result when farming reached Britain, and how day to day life changed, including the introduction of pottery and use of wool to make clothes. We saw some great teamwork whilst coming up with their questions (and the answers) and lots of fun trying to answer each other's questions in the final quiz!

Don't Forget!

Half term is almost here and just a reminder, the school has a non-pupil day on Friday 16th. We look forward to seeing the children back in school on Monday 26th February.

Year 3

The children have put all of their art skills to practise and created absolutely amazing portraits of the Iron Man in the style of Andrew Davidson. They were so proud of their masterpieces and really thought about the different techniques they used.

The school is registered under the Data Protection Act for holding personal data. The school has a duty to protect this information and keep it up to date. The school is required to share some of the data with the Local Authority and with the DfE. It is parental responsibility to ensure that their details and that of other contacts held on their child's records are correct and up to date.
