1st March 2024

### Year 3

To kickstart art in Year 3, the children absolutely loved exploring the works of Quentin Blake in the infamous Roald Dahl books. They discussed a range of illustrations, pointing out the things they noticed, liked and disliked. They then had a go at drawing their own Quentin Blake style illustrations.

**CELEBRATING EACH OTHER, AND THE JOURNEY WE ARE ON**

## Year 1

We have been predicting what a book might be about by studying the end pages. They used viewfinders to help them focus on one section of the picture at a time. They discussed where they think the book is set and who they think the main characters might be. They wrote questions about what they would like to find out.

## Year 3

On Thursday Year 3 began learning hockey skills in their PE session. They practised how to hold the hockey stick correctly and developed their dribbling skills. They then enjoyed playing different dribbling hockey games.

## World Book Day – 7<sup>th</sup> March 2024

We are really excited about World Book Day on 7<sup>th</sup> March and our theme this year is Bedtime Stories. We're looking forward to seeing the children in their pyjamas (with leggings/tee-shirts etc. underneath), comfortable clothes that they read their favourite book in or, if they're feeling really creative, feel free for them to dress up as their favourite book character!

## Playground Games!

All of the children were SUPER excited earlier this week to get outside and try out the new features on our playground. Over half term, a draughts board, snakes and ladders board and alphabet game were added, as well as a large netball court, with extra lines to grid off different games. There are lots of plans in the pipeline for having many different sports available during break times for the children to play; volleyball, basketball, netball, football skills, circuit games PLUS books and other activities for those children that would rather have a chilled-out break time.
