Year 3

Year 3 have been immersing themselves in the wonderful world of George's Marvellous Medicine! For their English 'instructional writing' unit, they came up with their own gruesome, weird, wonderful or delicious edible potions; from flying, turning people into witches and time travel. Whilst making the potion, they planned their 1st Friday write- thinking about equipment, ingredients and the method

This week in Science, Year 3 have been learning the different parts of a plant! They had a great time dissecting some different plants to see if they could spot the various parts. Some were so tiny and hard to find but they found them! They then did some beautiful sketches of their findings and labelled them.
